We take turns playing.
In turn, pick a card and read it aloud

2

In the past, you were faithful companions capable of moving mountains. You have accomplished what no one else could do. 3

Time has passed. Friendship and understanding too. But today the team must meet again to undertake a perilous quest.

4

5

When the Instruction
Cards are completed,
we continue in turn
with the Question
Cards. Read each card
aloud and answer the
question asked.

6

Other players can ask you questions or make suggestions. But they can't answer for you and it's up to you to decide whether or not to take them into account

7

Map X is located below the Next & Back buttons. 8

If there is a card, or an answer, that you do not want to include in the story, touch the X card. This content is removed from the game

9

If your card is removed from the game like this, pull a new one. You can use the X card on your own card

10

Your turn, you can pass.
"Give" your card to the
next player and say "I'd
like to hear your answer
to that question".

11

A Question card can thus be passed from player to player until it is cancelled by card X. 12

Continue to answer, pass or use the X card until the "Final Card" "During the great final battle, who do you decide to save?" is drawn

Each player answers the question "Who do you decide to save?" in turn. Then the game is over 14

What is this quest? Go around the table, everyone can contribute.

15

The player who wishes to do so can draw the first Question Card
