

1

We take turns playing.  
At your turn, pick a card and read it aloud

2

When the Instruction Cards are completed, we continue in turn with the Question Cards.

3

Read each card aloud and answer the question asked.

4

Other players can ask you questions or make suggestions. But they can't answer for you and it's up to you to decide whether or not to take them into account

5

If there is a card, or an answer, that you do not want to include in the story, touch the X card. This content is removed from the game

6

Your turn, you can pass. "Give" your card to the next player and say, "I'd like to hear your answer to that question."

7

A Question card can thus be passed from player to player until it is cancelled by card X.

8

Continue to answer, pass or use the X card until the Final Card is drawn.

9

Each player answers the Final Question in turn. Then the game is over

10

Here is the initial situation:

11

A few weeks ago, the Zombie Apocalypse hit the world.

12

A large part of humanity has turned into a horde of cannibal zombies.

13

Chaos reigns. The government can no longer control the situation.

14

Apart from hordes of hungry zombies, looting, murder and general suspicions are spreading.

15

You are one of the few survivors, a group of nine people on their way to Atlanta.

16

Each player plays one of the members of the group.

17

Rumours are that the situation would be better in Atlanta.

18

So you hope to find a refuge or an evacuation zone or even a cure for the "disease".

19

Your convoy includes cars and trucks, food and weapons and a strong faith in the future.

20

But will your solidarity survive the dangers that lie ahead?

21
